### 1. CONTACT OUR CARE TEAM

Speak directly with a nurse, contact us:

- Online: [www.2nd.md/wmhip](http://www.2nd.md/wmhip)
- Phone: **1.866.841.2575**
- Email: [wmhip@2nd.md](mailto:wmhip@2nd.md)
- App: **2nd.MD app** on **iTunes** or **Google Play**

### 2. LET US TAKE CARE OF THE DETAILS

Our nurses provide comprehensive service, including:

- Helping you to understand your condition
- Gathering medical records and history
- Scheduling a consult with a highly-specialized medical doctor from a top-ranked institution

### 3. TALK TO EXPERT DOCTORS

Speak directly with an elite doctor from a top medical institution by video or phone, at a time that works for you. Your family, friends or your treating physician can also participate in the consult if you wish.

### 4. RECEIVE ONGOING SUPPORT

After speaking with the doctor, you will receive a written summary of the consultation, and our nurse team will follow up with you to answer any questions and help coordinate your next steps in care.

*"What we appreciated most about 2nd.MD was the quick access to a leading specialist and constant follow up from 2nd.MD to make sure our concerns were resolved. Had we not used 2nd.MD, frankly, my wife would have likely not survived her medical issue. If you have a medical challenge and are considering 2nd.MD, don't hesitate, just make the call."*

- Randy, 2nd.MD Member
