Whenever possible, bargaining sessions will be scheduled so as not to conflict with the scheduled working hours of the Police & Public Safety Officers who are members of the Union bargaining committee. In the event that it becomes necessary to conduct bargaining sessions during the regular shift hours of these employees, they will be paid the straight time hourly rate of pay for the actual time spent in negotiations.

## ARTICLE III. BOARD RIGHTS

### A. Employer Rights in General

1. The Employer possesses and retains the sole power, duty and right to operate and manage its departments, agencies, programs and facilities, to carry out its business, and to carry out all constitutional, statutory and administrative policy mandates and goals. Any term or condition of employment other than the wages, benefits and other terms and conditions of employment specifically set forth in other provisions of this Agreement shall remain solely within the discretion of the Employer to determine, establish, modify or eliminate without engaging in negotiations. The exercise of the Employer's discretion, judgment, powers or rights as to any such matter shall not be subject to review or attack through the Grievance Procedure.

Such retained Employer Rights include, but are not limited to, the right, without engaging in negotiations, to determine matters of managerial policy; mission of the Employer and its parts; the methods, means, and procedures to be used, and the services to be provided; organizational structure; the nature and number of facilities and departments and their locations; to establish classifications of work; to hire and increase or decrease the size of the work force; to assign personnel; to maintain order and efficiency and use outside assistance.

2. The Employer also reserves certain rights and powers, which are limited by the express provisions of this Agreement. These include but are not limited to, the right to discipline, suspend or discharge employees whose conduct or job performance is unsatisfactory to the Employer; to establish reasonable work rules and to fix and determine penalties for violation thereof; to fill vacancies within the bargaining unit; to lay off and recall personnel; to make judgments as to the skills and abilities of employees; and to establish and change work schedules. The Employer may exercise such expressly limited rights without engaging in negotiations, provided however, that these rights shall not be exercised in violation of any specific provisions of this Agreement and, as such, the exercise of such limited rights shall be subject to the Grievance Procedure.
3. This Agreement, including its supplements and exhibits (if any) concludes all negotiations between the parties during the term hereof, and satisfies the obligation of the Employer to bargain during the term of this Agreement. The Union acknowledges and agrees that the bargaining process under which this Agreement has been negotiated is the exclusive process for affecting terms and conditions of employment, and that the Employer is not obligated to address such terms and conditions under the Special Conference provisions. All negotiable terms and conditions not expressly restricted by this Agreement shall be within the sole discretion and control of the Employer to determine, establish, modify or eliminate without engaging in negotiations.

4. The parties acknowledge that, during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any negotiable subject or matter, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement including its supplements and exhibits attached hereto (if any), concludes all collective bargaining between the parties during the term hereof, and constitutes the sole, entire and existing agreement between the parties, and supersedes all prior agreements and practices, oral and written, expressed or implied, and expresses all obligations and restrictions imposed upon each of the respective parties during its term.

**B. Policies and Procedures**

The Employer reserves the right to establish reasonable rules, regulations, policies and procedures not conflicting with the provisions of this Agreement. The Employer shall inform employees of the establishment of new rules, regulations, policies and procedures before they are made the basis for any disciplinary action. If an employee or the Union believes that any rule, regulation, policy and/or procedure is inconsistent with the terms of this Agreement, a grievance may be filed within five (5) days after the establishment or application of such rule, etc., whichever first occurs.

## **ARTICLE IV. CONDITIONS OF EMPLOYMENT**

**A. Probationary Period**

When a new employee is hired in the unit, he/she shall be considered as a probationary employee for the first twelve (12) months of his/her continuous, regular, full time employment. The Union shall represent probationary employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment, except no matter concerning the discipline, layoff, or termination of a probationary employee shall be subject to the grievance procedure.

**B. Employment and Termination**

1. Establishment of Date of Hire
  - a. A regular full-time employee's hire date shall be the date on which his/her most recent period of full-time employment began within the bargaining unit.
  - b. The above mentioned hire date will not be altered or affected when an employee is on an approved leave of absence of one year or less.

- c. Transfer or promotion to another full-time position within the bargaining unit shall not affect an employee's hire date.
- d. An employee's date of hire shall entitle him/her only to such rights as are expressly provided for in this contract.

2. Loss of Seniority

An employee's seniority and his/her employment relationship with the College shall automatically terminate for any of the following reasons:

- a. If the employee resigns, quits, retires, or receives a pension (including a disability pension) from a plan sponsored by the College;
- b. If the employee is discharged or terminated and not reinstated through the procedures set forth in this Agreement;
- c. If the employee fails to give notice of his/her intent to return to work within three (3) working days and/or fails to report for work within ten (10) calendar days after issuance of the Employer's notice of recall by certified mail to the last known address of such employee as shown by the Employer's records. It shall be the responsibility of the employee to provide the Employer with a current address;
- d. If the employee is absent from work for three (3) consecutive working days without advising the employee's supervisor of a reasonable cause for such absence unless Employer notification was impossible due to circumstances beyond the employee's control. At the conclusion of the three (3) day period, the Employer shall notify the employee by certified mail that his/her seniority has been terminated;
- e. If the employee uses a leave of absence for purposes other than that for which it was granted;
- f. If the employee accepts a settlement from the Employer for permanent disability;
- g. If the employee makes a false and material statement on his/her application for employment or on any other departmental records or documents;

- i. If the employee has been on an unpaid leave of absence (other than military leave) for a period of twenty four (24) months or for a period equal to the length of the employee's departmental seniority at the commencement of the leave of absence, whichever is less;
- j. If the employee loses any certification required by State law to serve as a law enforcement officer (e.g., MCOLES, etc.), and is unable to be recertified within a reasonable period of time.

3. Notification of Voluntary Termination

An employee who voluntarily terminates his/her employment with the College shall notify the Human Resources Department at least two (2) weeks prior to his/her termination. An employee who fails to give two (2) weeks prior notification of termination shall forfeit all rights to compensation of accrued paid time off.

4. Notification of Involuntary Termination

In the event the College finds it necessary to terminate the employment of a member of the bargaining unit (for reasons other than reductions in staff or discharges for cause,) the College will provide at least two (2) weeks advance notice.

5. Seccession of Benefits

Benefits for employees who voluntarily terminate their employment will cease following the last day of employment.

**C. Transfers**

1. Administrative Transfer within Unit

The College retains the exclusive right to transfer employees to other job classification within the bargaining unit and to change work assignments in order to provide those services essential to public health, safety and welfare, and those services essential to the continuous and uninterrupted operation of the College.

2. Light Duty Assignment

An employee covered by this Agreement who becomes temporarily physically or mentally disabled to the extent that the employee is unable to fully perform the essential functions of the employee's regular job (with or without reasonable accommodation), may be assigned available duties the employee is physically and mentally able to perform. The College's obligations hereunder shall be limited to offering available duties, and the College shall have no obligation to take duties

away from other employees. An affected employee shall have no right to bump another employee, but an employee disabled in the line of duty shall be given preference in such assignments over an employee whose disability did not arise in the line of duty.

3. Preferred Assignments.

The College shall have the right and discretion to assign employees within each classification, based on qualifications required for the assignment, operational needs of the department, and other reasonable factors. When the College determines that a change in a preferred assignment is warranted, a two week period for submission of written expressions of interest will be announced to all active bargaining unit members. Such timely written expressions of interest will be considered in determining job assignments. Upon request of the Union, the College will provide a written explanation for selecting a particular individual for a particular assignment.

**D. Reduction in Staff**

The Union recognizes the exclusive right of the Employer to determine monetary savings to be achieved by reduction in personnel and/or operations and the exclusive right to determine the area in which such reductions will be made.

During a period of impending layoff, the Employer agrees to attempt to accomplish staff reduction by natural attrition (such as resignation, retirement, etc.) and will consider requests for voluntary leaves of absence without pay.

Prior to any reduction in staff, the Union will be provided an opportunity to present recommendations to the President or his/her designated representative(s) and the Board of Trustees regarding such reductions for consideration prior to the final decision.

Once the area to be affected by a staff reduction has been determined, the following process will be used:

1. Employees to be affected by the reduction in staff will be ranked by seniority.
2. Employees with the lowest seniority shall be laid off first.
3. Personnel affected by the reduction in staff will be afforded as much notice as possible, but in no event less than 30 days, prior to the effective date of layoff.

Laid off employees eligible for recall will be recalled in the reverse order of their seniority. Recalled Employees will have their original full-time hire date restored for the purpose of paid time off hour accrual and salary schedule placement.

**E. Hours of work**

1. Normal Work Day

A normal workday for regular full-time employees shall consist of 8 hours, 10 hours, or 12 hours as determined by the College and regularly scheduled for the employee. The workday shall include a paid 30 minute lunch period during which the employee shall remain available for service. A 12 hour workday will also include two paid 15 minute breaks, one normally taken before the lunch period and one after, during which the employee shall remain available for service.

2. Normal Tour of Duty

A normal tour of duty shall consist of 14 consecutive calendar days during which a regular full-time employee shall be scheduled for ten 8-hour workdays, eight 10-hour workdays, or six 12-hour workdays plus one 8-hour workday, except during a tour of duty in which a recognized holiday is observed. Subject to Art.IV.E.6, employees may be assigned to work additional hours without the payment of overtime compensation (e.g., due to normal shift rotation).

3. Scheduling

Officers will select their shifts to be worked by seniority. Officers picking the West Campus may work 9 consecutive months at the West Campus after which they will be assigned to the Main Campus for 3 months. The 9 months at the West Campus will commence beginning with the first month an Officer works the West Campus assignment and will start over after reaching 3 months assignment at the Main Campus. Officers without seniority for a shift pick shall be moved at the discretion of the Director or designee so as not to exceed the time limits set forth in this article. If an Officer has worked 9 months at the West Campus, that assignment does not prohibit assigning that Officer to the West Campus for short periods of time for needed coverage. Officers may work overtime assignments at West Campus, even if they have served their 9 months at the West Campus. Officers working a temporary assignment at the West Campus of less than 1 month will not result in the starting of a new 9 month cycle. All schedules will be subject to the approval of the Director or designee, and may be changed as deemed for the good of the service based on operational considerations or other reasonable factors.

4. Changing

Employees may trade scheduled workdays after the schedule has been posted, provided they have obtained permission from supervisor(s) of the shifts involved, and provided such trade does not result in payment of overtime to either employee involved.

5. Pass Days

No more than 7 consecutive days will be regularly scheduled without a pass day, but such a schedule may occur in the event of an emergency. In the event that an employee's regular pass day is postponed due to emergency, the pass day may be taken later in the employee's tour of duty subject to management approval.

6. Overtime

- a. All hours actually worked in excess of 80 hours during a 14 hour day tour of duty shall be compensated at one and one-half times the employee's regular straight-time rate of pay. Overtime shall only be worked if authorized by the shift supervisor or manager responsible for the department at the time of the work, except under emergency conditions.
- b. Hours worked during emergency and unscheduled overtime assignments during 6:00 PM through 6:00 AM shifts, and Saturday and Sunday 6:00 AM through 6:00 PM shifts, will be compensated at two times the employee's regular straight time pay.
- c. In the event that an employee is assigned to emergency or unscheduled overtime in conformance with subsection 6.f. of this section during a 14 day tour of duty, all compensated hours in excess of 80 hours will be compensated at one and one-half times the employee's regular straight time rate of pay.
- d. Court appearances with less than 30 days' notice will be considered as emergency and unscheduled hours for the purposes of overtime calculations, if the employee has more than 80 compensated hours during a 14 day tour of duty.
- e. Training assignments outside of an employee's regularly scheduled working hours will not be considered as emergency or unscheduled hours for the purposes of overtime calculations.
- f. Compensatory time will not be considered as hours actually worked.
- g. If an employee is scheduled to work 8 hours per day, all hours worked in excess of 8 in any calendar day shall be compensated at the rate of time and one-half.
- h. If an employee is scheduled to work 10 hours, 4 days per week, all hours in excess of 10 in any calendar day shall be compensated at the rate of time and one-half.
- i. If an employee is scheduled to work a 12 hour day, all hours in excess of 12 in any calendar day shall be compensated at the rate of time and one-half.

- j. Hours in excess of an employee's regular schedule in a calendar day, resulting from a change in shift, shall be compensated at straight time.
- k. Emergency or Unscheduled Overtime.
  - 1. If the College has at least 6 hours' notice that it is necessary to assign emergency or unscheduled overtime, a text message will be sent to all officers offering the work. The overtime will be assigned to the first officer to request the work, provided the officer is qualified to perform the available work and has had or will have at least eight hours of time off for rest immediately before or immediately following the overtime.
  - 2. If not covered by a qualified volunteer, emergency or unscheduled overtime may be assigned as determined by the College, with due consideration to the circumstances.
- l. Officers required to work after a declared closing of the College at their assigned location will receive compensatory time for all hours worked during such closure.

7. Compensatory Time

Officers may request compensatory time in lieu of overtime at the same rate. The request must be made through the management official designated by the College and is subject to the manager's approval. No employee shall be permitted to accumulate more than 240 hours of such compensatory time (1-1/2 times 160 hours of actual overtime work). Once having elected compensatory time the officer may not thereafter request overtime pay for the same time, except as provided by applicable law. An officer who wishes to use any earned compensatory time off should inform his or her supervisor how much time is requested, and the supervisor will schedule the employee for the requested amount of time off within a reasonable time period (defined as within 30 days after the request is received) unless doing so would cause overtime for other officers or would otherwise unduly disrupt operations of the Department. Whenever possible, the compensatory time off will be scheduled to be taken when mutually agreeable with the officer and the supervisor. The College will not require an officer to use compensatory time off. An officer taking compensatory time off will be paid for such time at the officer's regular rate in effect at the time. Earned compensatory time does not expire, and unused compensatory time will be paid to the officer (or to the officer's heir or estate in the event of death) following termination of employment in the bargaining unit.

8. Call In Pay

In those situations where an employee is called in for work which is not continuous with his/her scheduled work period and where he/she has not been notified in advance, the employee shall be provided with not less than two hours of work or pay in lieu thereof.

9. Court Appearances

Time spent by an officer in court or official hearings on matters relating to the officer's work activities, whether the officer is subpoenaed or directed to appear, shall be considered hours worked except when the officer is a private party to the proceedings (e.g., when the officer is adverse to the College, or the College is not a party, etc.). If such time is spent during off-duty hours, the hours worked will be subject to the Call-In Pay provision. Witness fees, mileage, and other fees relating to the court or official hearing must be turned over to the department at the time the hours of work are reported.

10. Complaints and Warrants

Time spent by an officer obtaining warrants and complaints, or validating complaints, shall be considered hours worked, and any such time spent during off-duty hours will be subject to the Call-In Pay provision.

11. Pyramiding

Payment for overtime and call in time shall not be duplicated for the same hours worked as heretofore provided.

**F. Discipline and Work Rules**

1. Employees are expected to comply with reasonable rules, regulations, and policies as adopted by the College as long as such rules are not inconsistent with the provisions of this Agreement.
2. The College shall have the right to post work rules spelling out reasonable standards of expected employee conduct. Copies of these work rules will be distributed to members of the bargaining unit.
3. The College supports the concept of progressive discipline as a means to improve the affected employee's work performance and agrees that the severity of the disciplinary action shall be proportionate to the alleged violation up to and including immediate discharge. The concept of progressive discipline may include the issuance of a warning (written and/or verbal), a reprimand suspension or disciplinary time off prior to discharge when the misconduct is not so severe, in the opinion of the College, as to warrant immediate suspension, disciplinary time

off or discharge. Written notification of disciplinary action, with the exception of verbal warnings, will be provided to the employee affected. No non-probationary employee shall be disciplined without just cause; probationary employees are terminable at will. Upon request, an employee may be accompanied by a Union representative during an investigatory interview that might reasonably be expected to lead to disciplinary action against the employee, or during a disciplinary meeting at which the College intends to administer a disciplinary suspension or discharge.

4. Absent good cause for delay, an employee should ordinarily be notified as to any complaint against the employee that may result in discipline within 10 business days of an investigation in the alleged violation. Good cause could include, but is not limited to, the employee being on vacation or leave of absence, or the sensitivity of the investigation being such that informing the employee could compromise proper investigation of the complaint, etc. When practical, notification should normally be given at the employee's work site during regularly scheduled working hours. Upon request, an employee shall be given a full explanation of the reasons for delay in providing notification. Any procedural non-conformance with this subsection shall not be a basis for invalidation or modification of disciplinary action taken.
5. An employee must be notified of the complaint against him or her, and must be given an opportunity to respond to the complaint, before the College makes a final decision to impose any disciplinary action on the employee.
6. Whenever a criminal charge or charges are preferred by a warrant against an employee, it shall be the prerogative of the Employer to suspend the employee without prejudice, with or without pay until the charges, if any, within the criminal justice system are concluded.

**G. Promotional Procedures**

If the College determines to fill any Sergeant or Detective positions in the Department during the term of this Agreement, other than by recall or reinstatement, it will consult with the Union concerning procedures to be used.

- a. Benefits for new employees will be effective on the first day of the calendar month following the calendar month in which he/she was employed on a regular full-time basis.
- b. The amount and nature of benefits shall be governed by the terms of the group insurance policy and the rules and regulation of the carrier.
- c. Unless prohibited by the insurance carrier, the College shall allow an employee on an approved paid or unpaid leave of absence to continue his/her insurance benefits providing the employee makes direct payment(s) to the College for all insurance premiums.

2. Group Life Insurance

The College will pay the necessary premiums to provide each employee with a group term life insurance policy in the amount of \$50,000 with an accidental death rider of equal amount.

3. Long Term Disability

The College will pay the necessary premiums to provide a long-term disability (LTD) policy for each full-time employee. Said policy to provide for disability pay at 66 2/3% of monthly pay after a 90 calendar day waiting period to a maximum of \$2,500 per month. Disability pay to continue until at least age 65 or until the employee is capable of work in the employee's profession, whichever occurs first.

Upon eligibility for LTD, the College would maintain for up to 12 months the medical, dental, and optical benefits as would be provided if such person were actively employed. (Such person would pay any applicable contribution amount).

The Family Medical Leave Act (FMLA) would run concurrent with any leave taken for reasons covered by the Act, if such leave necessitates an absence of greater than 30 calendar days, regardless of whether such leave is paid in part or whole or otherwise covered in whole or part by LTD. Such leave would be charged after the 30<sup>th</sup> day, provided statutory rights are afforded and statutory requirements are met.

The above language is not intended to reduce or increase the staff person's or the College's rights relative to incremental FMLA leaves as provided by the statute and regulations.

Other language for the contract would effectively continue the current language provided, however, where a change is necessary to incorporate the intent of the above paragraphs, such change(s), deletion(s), or addition(s) shall be reflected in the new language.

LTD benefits will be coordinated with payments from federal social security, Michigan Public School Employees Retirement Fund and worker's compensation benefits.

LTD benefits will be limited to 24 months for those employees who are disabled due to a nervous, mental, alcohol, or substance abuse condition.

For employment purposes, if the employee's disability continues for a period of two (2) years or more, the employee will be considered an automatic termination from employment.

2. Employee dependents as defined by the Internal Revenue Service for income tax purposes, (including spouse and children) will be granted tuition scholarships for Lansing Community College courses for which they meet entrance requirements. It is recognized that student enrollment may be limited by such factors as facility and equipment limitations and current safety standards.
3. The College will implement a one year pilot program for access to the Fitness Center and Weight Room. The Program will be evaluated at the end of the year, to determine if it will continue for the following year. Under the program, the College will offer employees reimbursement for applicable registration, course and facility fees incurred for taking the Total Fitness or Weight Training classes or membership. Total Fitness and Weight Training tuition are covered under the employee's tuition scholarship. Employees may only attend the classes when off-duty and at times that do not interfere with use of the facilities by other students.

  - a. The annual charge will be pro-rated for the parking facility.

3. No employee will be permitted to park more than one vehicle in College parking facilities at any time.

4. In the event that the College finds it must increase its parking fees prior to the termination of this Agreement for all employees who have access to the facility, the College will notify the Union in writing 30 days prior to implementation specifying the new rates as well as any other modifications proposed for change. The College will also notify the employees of the change and when that change will occur.

\*If the College and Union subsequently agree to the recommendations of the Parking Task Force, Appendix C, the recommended changes will be entered into a Letter of Agreement. It is intended these recommendations will supersede the language in Article V, G, 1-4.

This will be paid after successful completion of a 90-day probationary period as determined by the Director of Police and Public safety. Payment will be made upon presentation of receipts for approved items, which include footwear, pants, shirts, sport coats, suits and outerwear.

## **ARTICLE VII. GRIEVANCE PROCEDURE**

### **A. Definition**

A grievance is defined as a complaint or dispute by an employee or employees covered by this Agreement, arising during the term of this Agreement, concerning the application or interpretation of a specific provision or provisions of this Agreement as written. A grievance which directly affects two or more employees covered by this Agreement may be initiated by the employees affected or may be processed as a “group grievance” by the Union as the grievant, but not both.

### **B. Purpose**

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances. Both parties agree these proceedings shall be kept as informal and confidential as possible.

Nothing in this Agreement shall be construed as limiting the right of any grievant to discuss the matter with any appropriate member of the administration and having the grievance adjusted without intervention of the Union, provided the adjustment is consistent with the terms of this Agreement.

### **C. Procedural Compliance**

The procedural requirements, including time limits, established in the Grievance Procedure shall be followed by the parties. If the grievant(s) or the Union fails to act within the time limits and other requirements specified, the grievance shall be considered resolved and withdrawn on the basis of the Employer’s last action or disposition, and such resolution shall be final and binding. If the Employer fails to act within the time limits and other requirements specified, the Union may advance the grievance by filing a timely written appeal to the next step of the Grievance Procedure. Time limits may be extended or waived only by mutual written (or electronic) agreement of the parties, and not by any other method. Neither party will unreasonably withhold such agreement. As used in this Article, “week days” means Monday through Friday, excluding recognized holidays observed by the College on those days. The first week following an occurrence (or following the date on which an employee should reasonably have known of the events giving rise to the grievance) is the first day to be counted toward time limits.

**D. Grievance Procedure**

1. All grievances except group grievances and those involving a discharge or disciplinary suspension without pay shall be processed in the following manner:

STEP 1: An employee with a grievance (other than a discharge or disciplinary suspension without pay) shall, within five week days (defined as Monday through Friday and excluding College recognized holidays) of the occurrence which gave rise to the grievance or within five week days of the date the employee first reasonably should have known of the events which gave rise to the grievance, discuss it with his/her immediate Supervisor with the object of resolving the matter informally. If requested by the employee, a Union Representative may be present.

STEP 2: If the grievance is not satisfactorily resolved at Step 1, it shall be reduced to writing, setting forth in detail the facts and specific provision or provisions of the Agreement alleged to have been violated, and stating the settlement desired. The written grievance shall be signed by the aggrieved employee(s) and the Union Representative. Within seven week days of the occurrence which gave rise to the grievance or within seven week days of the date the employee first reasonably should have known of the events which gave rise to the grievance, the written grievance shall be presented to the grievant's immediate Supervisor. Within five week days thereafter, the senior officer of the Department and the Human Resources Director, or designee shall meet with the grievant and the Union Representative to discuss the matter. The immediate Supervisor shall thereafter place his or her written disposition and explanation upon the grievance and return it to the Union Representative or grievant within five week days after such meeting.

STEP 3: If the grievance is not satisfactorily resolved at Step 2, it shall be appealed by writing on the grievance form a brief explanation of the reasons for rejecting the Step 2 disposition and any change in the settlement proposed. The appeal shall be signed by the Union Representative and the aggrieved employee(s) within ten week days following the Step 2 discussion, presented to the Senior Administrator responsible for the Department, (which in some cases may be the grievant's immediate Supervisor). Within ten week days thereafter, the Senior Administrator responsible for the Department (or his or her designated representative) and up to two additional College representatives shall meet with the grievant(s), the Union Representative and up to two additional Union representatives to discuss the matter. The Senior Administrator responsible for the Department (or his or her designated representative) shall thereafter place his or her written disposition and explanation upon the grievance and return it to the Union Representative or grievant within five week days after such meeting.

2. A group grievance or a grievance involving a discharge, or disciplinary suspension without pay, shall be reduced to writing, setting forth in detail the facts and specific provision or provisions of the Agreement alleged to have been violated, and stating the settlement desired. The written grievance shall be signed by the Union

Representative and the aggrieved employee(s). Within seven week days of the occurrence which gave rise to the grievance or within seven week days of the date the employee(s) first reasonably should have known of the events which gave rise to the grievance, the written grievance shall be presented to the Senior Administrator responsible for the Department (or his or her designated representative). Within ten week days thereafter, the Senior Administrator responsible for the Department (or his or her designated representative) and up to two additional College representatives shall meet with the Union Representative and up to two additional Union representatives to discuss the matter. In a case involving discharge or disciplinary suspension without pay, the grievant shall also be present if requested by either party. The Senior Administrator responsible for the Department (or his or her designated representative) shall thereafter place his or her written disposition and explanation upon the grievance and return it to the Union representative or grievant within five week days after such meeting.

**E. Mediation**

1. The parties may enter into voluntary mediation of a grievance concerning disciplinary action other than a discharge or suspension without pay, provided if such a grievance is submitted to mediation and the parties fail to reach agreement, it shall be resolved by the mediator and the mediator's resolution shall be final and binding upon the Union, the Employer, and the employee(s).
2. The parties may enter into voluntary mediation of any other grievance provided that mediation shall not delay the processing of the matter through arbitration. If a satisfactory resolution is achieved through mediation, the resolution shall be final and binding upon the Union, the Employer, and the employee(s).

**F. Arbitration**

1. If the aggrieved is not satisfied with the disposition of the grievance under subsection D.1 or D.2, or if no disposition is issued by the Senior Administrator responsible for the Department (or his or her designated representative) within the timelines specified, the Union may submit the grievance to arbitration by filing a written request for a panel of seven arbitrators with the Michigan Employment Relations Commission within 30 calendar days after the Senior Administrator responsible for the Department (or his or her designated representative) either issues a disposition or the timeline expires without a disposition being issued. Any grievance not submitted to arbitration in accordance with this Section shall be considered resolved and withdrawn on the basis of the Employer's last action or disposition, and such resolution shall be final and binding.
2. If a grievance is timely submitted to arbitration, the parties may mutually agree upon an arbitrator to hear the grievance. If the parties are unable to mutually agree upon an arbitrator, the arbitrator shall be selected by each party (Union first) alternately striking a name from the panel provided by the Michigan Employment Relations

Commission, and the last remaining person shall serve as the arbitrator. Should the parties determine that a panel of arbitrators from the Michigan Employment Relations Commission is unsatisfactory, they may reject the panel and request another instead of commencing the striking process.

3. The jurisdiction of the arbitrator and the arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The arbitrator shall make every effort to begin the hearing on the grievance within 60 calendar days of the notice of selection, unless extended by the mutual agreement of the parties. The arbitrator shall, at all times, be governed wholly by the terms of this Agreement and shall have no power or authority to amend, alter or modify this Agreement in any respect, either directly or indirectly, nor shall the arbitrator have any power to change any classification, wage rates, workloads, or performance standards or to rule on any claim arising out of any insurance or pension program under this Agreement, or to issue any award or ruling modifying any matter covered by statute, regulation or to decide any claim which could be asserted as a violation of any employment discrimination statute, law or regulation. If the issue of arbitrability is raised, the arbitrator shall not, without the express agreement of the Employer and the Union, determine the merits of any grievance unless arbitrability has been affirmatively decided by the arbitrator. The arbitrator shall not issue any award or fashion any remedy which in any way directly or indirectly alters or amends the Employer's exercise of its management's rights as specified in Article III.A.1, or which is in any way inconsistent with the Employer's exercise of such rights. The arbitrator's award shall be issued (postmarked) within 30 days after the close of the hearing or the receipt of the parties' briefs (if any), unless the time is extended by the mutual agreement of the parties. Any award of the arbitrator shall not be retroactive to more than seven days prior to the time that the grievance was first submitted in writing. The arbitrator's decision shall be final and binding upon the Union, the Employer and the employees; however, the Employer and the Union reserve the right to challenge an arbitrator's award which exceeds the arbitrator's jurisdiction, authority or powers to any degree, or which may be otherwise unenforceable.
4. The College and the Union shall cooperate in order to insure the rights of both parties to adequate preparation time and the presentation of each party's positions at the hearing, provided every effort will be made to avoid interference with the Employer's regular business operations. Any on-duty employee witnesses called to testify by either party shall be scheduled to testify so that lost time from work will be minimized. Upon completion of their testimony (direct or rebuttal, if required), each witness shall be excused to return to work.
5. Each party to the arbitration shall bear the full costs and expenses of its own witnesses and representatives, including pay for all working time lost during an employee's regularly scheduled hours of work (except the College will pay such time for on-duty employee witnesses other than the grievant(s) called to testify in accordance with subparagraph 5). The compensation and expenses of the arbitrator

and any costs incurred in connection with the location of the arbitration shall be paid one-half by the College and one-half by the Union.

## **ARTICLE VIII. UNION MEMBERSHIP AND REPRESENTATION**

### **A. Membership**

Membership in the Union is voluntary. All employees have the right to join, not join, maintain or drop their membership in the union as they see fit, subject to such standards as the Union may lawfully impose. No employee is required to provide financial support to the Union except as a voluntary member of the Union. However, nothing in this Agreement is intended to provide non-members with rights customarily and lawfully limited to Union members.

As the exclusive bargaining representative of employees in the bargaining unit described in Article 1, the Union is required to fairly represent all bargaining unit employees without regard to whether or not they are members of the Union or providing any financial support to the Union.

### **B. Payroll Deduction of Association Dues**

During the term of this Agreement, the Employer agrees to deduct bi-weekly Union dues from each employee covered by this Agreement who has a completed and unrevoked Payroll Deduction Form on file with the College. The Union will furnish the Employer with a schedule of dues determined in accordance with law.

The Union will furnish the employer with Payroll Deduction Forms to be given to the employee upon date of hire. Completed and signed Payroll Deduction Forms will be filed by the Union with the Human Resources Department. Deductions will begin with the first full payroll period following receipt of the Authorization form by the Human Resources Department and will continue in effect until the Payroll Deduction Form is revoked in writing, provided no deductions will be made after this Agreement expires until a replacement agreement becomes effective. The Employer will not be responsible for deduction or remittance of dues that would reduce an employee's earnings for any pay period below the minimum wage. The employer will not be responsible for deduction or remittance of dues after an employee's employment relationship has been terminated or while an employee is on unpaid leave of absence or layoff status

### **C. Defense of Claims**

The Union shall defend, indemnify, and save the College harmless from any and all damages, claims, suits, or other forms of liabilities, including attorney fees, it may suffer as a result of any action the Union or an employee takes under this article, or arising from its compliance with this article. The parties agree that the Union has the right to provide and oversee the legal defense and strategy for such matters, as long as there is no conflict between the Union and the College in such proceedings. The College and the Union will

cooperate in securing and giving evidence, obtaining witnesses, and making relevant information available.

**ARTICLE IX. AGREEMENT IMPLEMENTATION**

To facilitate the interpretation and administration of this Agreement, where interpretation of provisions contained in this contract appear unworkable by either party to the contract, or in need of interpretation by either party to the contract, or where administrative procedures are required to implement the provisions, the President of the union and/or his/her designated representative and the Executive Director of Human Resources and/or his/her designated representative will meet following the initial written request of either party within ten working days following the date of the request to determine the meaning of a provision interpretation and/or remedial procedures required. These time limits may be waived by mutual agreement. Such determinations, if mutually agreed upon, shall be submitted in writing to the Union by the President of the Union and submitted in writing to the L.C.C. Board of Trustees or its duly authorized agent by the Executive Director of Human Resources for their approval and confirmation. Upon approval and confirmation by both constituent agencies, the determined interpretation and/or procedure shall be considered a part of the Agreement.

**ARTICLE X. COMPENSATION**

**A. Salary Adjustments**

Effective July 1, 2013 and continuing through June 30, 2017, the salary schedule for each year shall be:

Pay rate changes will be effective at the beginning of the first full payroll period starting on or after the date the employee advances from one step to another

Either party may re-open negotiations with respect to wages only, by delivering written notice of reopening to the other party during the month of April, 2020.

If the contract expires and no successor agreement has been negotiated, employees shall not further advance on the steps until a successor agreement has been reached-.

**B. Officer Training Compensation**

Each officer assigned training duties with new recruits will be compensated at the rate of one hour of the officer's straight hourly rate for each day a recruit is assigned to them.

**C. New Hires**

**ARTICLE XI. MANAGEMENT SECURITY**

- A. The parties of this Agreement mutually recognize that the services performed by the employees covered by this Agreement are services essential to public health, safety, and welfare and essential to the continuous and uninterrupted operation of the College during the regular school year. The Union, therefore, agrees that there shall be no interruption of these services, for any cause whatsoever, by its officers, or by the employees it represents, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful, and proper performance of the duties of their employment or picket the employers’ premises. The Union further agrees that there shall be no strikes, sit-downs, slow-downs, stay-ins, stoppages of work, or any acts, or other alterations of existing work performance patterns that interfere in any manner or to any degree with the services of the College.
- B. Any violation of the foregoing shall be made the subject of disciplinary action or discharge from employment as to employees, subject to the discharge and disciplinary action provisions contained in Article IV of this contract, and/or of exercise of any legal right or remedy as to the Union, and/or cancellation of this Agreement by the Employer.

**ARTICLE XII. WAIVER**

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the areas of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the College and the Union for the life of this Agreement each voluntarily and unqualifiedly waive the right and agree that the other shall

not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both parties at the time that they negotiated or signed this Agreement.
